Notice.

TO THE INHABITANTS OF THE TOWN OF NOTTINGHAM:

There was an error in the financial statement last year amounting to \$1,089.78.

The county tax had been paid by the Treasurer as is customary, but as the Selectmen neglected to give him an order in exchange for the County Treasurer's receipt, this amount remained on the books as cash on hand, and was reckoned as an asset in the financial statement February 15, 1907. As no mention was made of the county tax in the list of liabilities, it made the net town debt appear to be \$174.08, when it should have been \$1,263.86.

The amount of cash actually in the hands of the Treasurer was \$786.59; \$222.45 of this had been spent in March, leaving only \$564.14 when we took charge, making it necessary for us to borrow money on notes, to pay the ordinary expenses of the town.
